

# Magnevibe

Magnetic\* mount vibratory solution

This versatile and compact unit delivers over 20 pounds of quiet force in a small 8 inch size. A ferrous, adhesive backed mounting pad is available, which allows the Magnevibe to adhere to non-ferrous bins and hoppers as well. One Magnevibe can service several small hoppers, simply move the portable Magnevibe to any location where a flow aid is required.

The unique magnetic mount Magnevibe from NAVCO is the perfect portable light duty vibrator. The Magnevibe is ideal for small bins and hoppers with occasional flow problems.

#### Applications:

- Chemical
- Pharmaceutical
- Food
- Ceramics
- Plastics
- Feed & Grain
- Textiles
- Processing
- Pet Food
- And more...

#### Features:
